Where do Dowsing Answers Come From?

Saturday May 6, 2 pm

(doors open at 1:30)

Are answers coming from you or the tool? Do they come from some part of ourselves such as a Higher Self, past or future life or from our unconscious or subconscious minds? Or do the answers come from the Superconscious Akashic records? Do answers come from something that exists outside of our beings – from “Ascended Masters” or from Angels or Ghosts or even from Aliens? Let’s find out together, because if we don’t know where the answers come from, how can we trust them? Susan has developed dowsing protocols and test questions to help you know the source of your dowsed information.
