

Susan Collins

Personal Management Consultant & Professional Dowser

Dowsing can help you achieve your goals

Dowsing for Psychic Development

Saturday April 8 10 am – 1 pm

This workshop will help you to use dowsing in order to develop your ability to expand your consciousness to safely interact with inter-dimensional energies. Prepare yourself for the extraordinary times ahead! Remove the blocks that have kept you from knowing who you really are and where you come from.

Develop the ability to create health, prosperity and happiness in your life.

The morning workshop can be taken on its own, but it is meant to prepare you for the afternoon workshop: Meeting Alien energy.

Registration for morning only

Super Early Bird (by March 4) **\$40**

Early Bird (By March 31): **\$50**

Regular: **\$60**

Meet Alien Energy With Dowsing

Saturday April 8 2-5 pm

Students must attend the morning session on Psychic Development to register for the Alien Energy session.

This advanced workshop will help you detect and balance off-planet, past-life, other-dimensional, other-time energies as well as your own subconscious and super-conscious energies. Are you encountering Angels and Aliens? Simultaneous lives? Past lives? Future Lives? We may never really know the answers to these questions, but we will expand our knowledge through honest discussion in a SAFE environment.

Registration for both workshops

Super Early Bird (by March 4) **\$80**

Early Bird (By March 31): **\$100**

Regular: **\$120**

Location for both events: King City Library, 1970 King Rd, King City, L7B 1K9

Susan Collins is an internationally acclaimed dowsing teacher, keynote speaker and workshop leader. She uses traditional dowsing tools as well as the power of heart and thought to detect and transform non-beneficial Earth, Environmental, Psychic and Other energy patterns. She has presented at a variety of international and regional conferences across North America, the United Kingdom, Italy, Japan and in the Middle East. Susan has a dynamic, global consulting practice and is the author of a successful series of books on dowsing techniques.
