Clean Out Your Psychic Closet!

with Susan Collins

Do you ever wonder if there's something rattling around inside you that is preventing you from experiencing the life you want? Do you wonder if there's something hidden that is keeping you from getting ahead? Dowsing can help you identify and resolve old issues and create more harmony and happiness in your life. Join us for an interactive mini workshop on Zoom. You will learn to identify and eliminate unhealthy emotional triggers, archetypes (embodied roles), vows and outdated survival mechanisms.

Susan is an internationally acclaimed author, consultant and workshop leader with a dynamic, professional practice.
